

March 27, 2020

To all VIEP members, sponsors, exhibitors, vendors, and conference attendees.

In light of the current COVID-19 situation and provincial order regarding large gatherings, the VIEP Conference Society Board of Directors has made the decision to postpone our upcoming Conference for May 22 – 24, 2020 at the Qualicum Beach Civic Centre.

Your health and safety are our first priority and given the escalation of the corona virus concerns, we determined the best course of action was to postpone the Conference until a later date. We have been able to rebook the Conference for May 14-16, 2021 at the same location. The society would like to thank the Town of Qualicum Beach for their generous continued sponsorship and support.

All registrations for the conference will be transferred and honoured for the revised dates. Anyone who is unable to attend due to the change will receive a full refund upon request.

Please continue to monitor the VIEP Conference Society website, www.viepconference.com for new information.

Thank you for your patience during this process. If you have any questions, please contact info@viepconference.com.

Stay safe and be healthy,

VIEP Conference Society Board of Directors
